# CONTRACT AGREEMENT

CA-15-2022

KNOW ALL MEN BY THESE PRESENTS:

APR 20 2022

This CONTRACT AGREEMENT is entered into this \_\_\_\_\_ day of \_\_\_\_\_, 2022 by and between;

The **BALETE PASS NATIONAL SHRINE**, a Military Shrine administered by **Philippine Veterans Affairs Office (PVAO)** located at Brgy. Tactac, Santa Fe, Nueva Vizcaya represented herein by **LTGEN ERNESTO G CAROLINA AFP (RET)** also of Legal age, Filipino with principal address at Veterans Compound, Camp General Emilio Aguinaldo, Quezon City, represented by PVAO Administrator and with hereinafter referred to as the **Entity**;

-and-

The **NUEVA VIZCAYA ELECTRIC COOPERATIVE (NUVELCO)**, an electric cooperative duly organized and existing under the laws of the Philippines with principal address in Gabut, Dupax del Sur, Nueva Vizcaya and represented herein by its General Manager, **FREDEL L. SALVADOR**, of legal age, Filipino, married and a resident of Gabut, Dupax del Sur, Nueva Vizcaya, hereinafter referred to as the **Cooperative**;

WHEREAS, the **Cooperative** is an electric cooperative who sells and delivers electric power and energy to all its members/customers;

WHEREAS, the **Entity** is desirous that the **Cooperative** execute **Supply of Labor and Materials for the Installation of Electrical Pole, Transmission Line and 75Kva Transformer of the Balete Pass National Shrine** (hereinafter called the "**Works**") through **Direct Contracting** and the **Entity** has accepted the Cost Proposal of **Six Hundred Seven Thousand Seven Hundred Thirty Two Pesos & 14/100 (Php 607,732.14)** (herein after called the "**Contract Price**") by the **Cooperative** for the execution and completion of such **Works** and remedying any defects therein.

WHEREAS, the **Entity** is an applicant for electric service and able and willing to buy electric power and energy from the **Cooperative**;

NOW THIS AGREEMENT WITNESSETH AS FOLLOWS:

1. That the **Entity** is an applicant for the sole use of distribution transformer who shall fill up an Application for Electric Service and Power Applicant Consumer Profile with required attachments which form as an integral part of this contract and hereto attached as **Annex "A"**.
2. That the **Cooperative** shall deliver electric power and energy for the Balete Pass National Shrine owned by the Entity located at Barangay Tactac, Sante Fe, Nueva Vizcaya.
3. That the **Cooperative** shall supply and install the following materials according to the Terms and Conditions of the **Approved and Duly Conformed Technical Specifications** attached hereto as **Annex "B"** which is made an integral part of this contract, to wit:
  1. One (1) unit Electric Pole
  2. Eighty (80) linear meter Distribution Line; and
  3. One (1) unit 75kVA Distribution Transformer
  4. One (1) lot Primary Metering

4. The **Entity** shall pay the **Cooperative** the material cost above-mentioned including the mobilization and demobilization, health and safety personal protective equipment and such other materials, tools and equipment necessary to complete the **Works** in the above-mentioned **Contract Price** apart from the monthly electric bill subject to applicable government taxes.
5. The **Cooperative** shall complete the Works for a period of **Thirty (30) Calendar Days** from the receipt of the Notice to Proceed.
6. If the **Cooperative** fails to Execute the Works within the period specified-above, the **Entity** shall, without prejudice to its other remedies under Contract and under Philippine Laws, deduct from the contract price, as liquidated damages, a sum equivalent to one-tenth (1/10) of one percent (1%) of the cost of the unperformed portion of the Works for each day of delay based on the approved contract schedule.
7. The Electric Bills and notices shall be delivered by the **Cooperative** to the **Entity** at the address where the electric service is being served.
8. The **Entity** shall pay its Electric Bills within five (5) days after receipt of the bills from the **Cooperative** without the necessity of additional demand.
9. That payment of Electric Bills shall be made at **Cooperative** designated collection office.
10. That any Electric Bill or account of the **Entity** not paid on due date shall computed according to the Cooperative's policy;
11. That the **Cooperative** shall discontinue electric service to the **Entity** due to the following grounds;
  - a. When the **Entity** fails or refuses to pay his bills on due after receipt of his bills;
  - b. When the **Entity** allows other end-users or persons to be connected to his electrical installation, whether for profit or not.
  - c. When any of the **Cooperative** equipment relating to metering and supply has been tampered or interfered with.
  - d. When the **Entity** refuse to permit the **Cooperative** reasonable access to its equipment or installations where metering facilities are installed for reading, inspection and other purpose.
  - e. When the **Entity** is operating any installation or equipment in such a manner as to create objectionable operating conditions for the **Cooperative** or adversely affect the First Party's equipment or service to others;
  - f. When the **Entity** has violated any of the provision of Republic Act No. 7832 (Anti-Pilferage Law) and the rules, policies, procedures of the Cooperative;
  - g. When the **Entity** connects additional large electrical load without the **Cooperative** prior approval;
  - h. In emergency cases or hazardous conditions due to faulty installation on premises of the **Entity**;
  - i. Man-made or natural calamities such as fire, war, labor or civil unrest, typhoon, storm, flood, earthquake, lightning and other events entirely beyond the control of either or both parties.
  - j. Any act or omission in violation of this contract, the Philippine Electrical Code and other existing laws.

12. That, in the event meters and/or service wires are damaged or lost at no fault of the **Cooperative**, the **Entity** at its own expense shall provide the immediate replacement cost of metering and/or service wires installed in its establishment.
13. The **Cooperative** shall maintain and if needed repair the installed transmission line and transformer of the **Entity** and expenses to be incurred for the same shall be shouldered by the **Entity**.
14. That the **Cooperative** shall install the necessary meters, instruments and devices for billing electric consumption by the **Entity**. The regular reading of billing meters shall be made once in the billing period. The location and specification of billing meters shall be approved by the **Cooperative**. The **Entity** shall provide a space, if required, free of charge for the installation of metering equipment, transformer and protection devices which shall be made accessible at all times to authorized NUVELCO personnel.
15. That the **Entity**, in case of loss and/or damaged of metering and transformer materials and their accessories, at no fault of the Cooperative, shall bear the cost of replacement and installation of materials.
16. That when the **Entity** is disconnected for cause and/or other violations of the contract, shall be reconnected upon its payment and/or settlement of its overdue obligations and other applicable penalties and service fees per metering installation, payable before reconnection is made.
